Notice Board

MISSION FOCUS— Remarkable answers to prayer! Recent weeks have seen answered prayer and God's protection over His people. Pakistan's police foiled an attack on Christmas worship in Karachi. The intervention thwarted Islamist plans to take many lives a few days before Orthodox Christians' Christmas Day. Iraq's government made a landmark announcement declaring Christmas Day a national holiday for all Iraqis, wishing its Christian citizens a 'happy Christmas'. Meanwhile, an anti-Christian tirade by the Grand Mufti fell flat when the country's Sunni authority condemned it as irrational and offensive, pointing out that Christians don't try to prevent Muslim celebrations. In Egypt, the Ministry of Justice produced a public information video cautioning Muslims not to 'fall prey to the extremists', and encouraged them to extend greetings to their Christian neighbours during the Christmas holidays.

Praying with Scripture: A time for quietness and prayer. We plan to meet on the **last Saturday of each month** (holidays aside) from **9.30 - 12.30 at David & Mandy's home**. Our next meeting is on **26 January**, anyone interested please speak to David or Mandy.

The extended Cave family would like to thank everyone for their love, prayers and support over the last 3 weeks. To those who visited the hospital and the house, to those who helped during the funeral service and with the catering afterwards, and to those who continue to pray for us, we will be forever grateful. Dad loved you all dearly and we know that he had fought a good fight, he had finished the race, and had remained faithful to his Saviour. Peter and Karalyn
